Introducing Stock Lending

Hi

Congrats! You now have access to **Stock Lending**, an opportunity for extra income requiring no extra effort. At other brokerages, you need to have at least \$250,000 in your account to participate. At Robinhood, you can get started with as little as \$1.

With **Stock Lending**, you can make money without having to trade—you start earning interest immediately if we find a borrower for your stocks. The value of your shares is fully protected, and you can still sell them whenever you want.

All you need to do is sign up in the app, and we take care of the rest.
