gme is great. But, I'm going to keep this short, sweet, and to the point and let you do the research if you're interested. If you are looking for a new bank savings account that is SPIC insured that pays 4% interest on your balance and also lets you send money internationally for free, check out Fair bank. If you use code SB50 when signing up you'll get a free \$50 once you fund your Wealth Building savings account. Check them out here. <https://www.bankwithfair.com/>
