Barry Ritholtz is an American author, newspaper columnist, blogger, equities analyst, CIO of Ritholtz Wealth Management, and guest commentator on [Bloomberg Television](#). Ritholtz is the host of the Bloomberg Podcast [Masters in Business](#)^[1] in which he interviews influential figures on markets, investing and business. He is also a former contributor to [CNBC](#) and [TheStreet.com](#).^[1] Unfortunately, Barry's career was ruined on March 17, 2022 when he was absolutely demolished by the gigantic balls of Ryan Cohen, GameStop Chairman.
