The hedgies are showing all of their tricks they have up their sleeve, damn the whole shirt is off by now.

They're literally pulling all the stops trying to clutch on to any life raft they can find, at this point even just blatantly buying new SEC rules in broad daylight just to not go tits up

All FUD is just more fuel for the banana boat

Were in the endgame now boys!

Don your banana pyjamas!

BUY GME! DRS! HODL!

I'll see you on the other side

Peace
