

Title: DRS 5 more first thing in the morning. It literally took me 5 minutes via Fidelity. It's not much but its honest work. I will submit full purple ring when I get them in my CS account for the bot ■■■■

Great. Please read this carefully and confirm if you would like me to process.

In your account  we will send 5 shares of GAMES TOP CORP - GME to the transfer agent. Fidelity does not charge a fee for a transfer. However, a fee may be charged by the transfer agent. Once the DRS transaction is processed, the shares will no longer be in your Fidelity account, they will no longer be accessible to you on Fidelity.com, and you will not be able to speak to a Fidelity associate about them. This transaction cannot be cancelled or reversed. It typically takes 3-5 business days for your shares to show at the transfer agent. Going forward, you will need to contact the transfer agent for any information or transaction(s) involving your shares, and you are subject to any fees assessed by the transfer agent. Keep in mind, a transfer agent is not a brokerage firm, and your experience may be different.

I agree and confirm the process

5 shares sent, confirmation
