Here, I am, planning my work day around the GameStop shareholder meeting, and our new manager (just hired yesterday) sends me the calendar invite for 11 am EST/10 CST for our virtual Teams meeting.

Do I.....

A) fake an emergency roadside assistance situation where my wife's car just got a flat

B) fake an internet outage

C) Do my best to stay off Reddit until I can go back and watch it afterwards, and not spoil the surprises

D), In faith, just quit at 10:59 and send a company wide email that only says "MØASS, BITCH. I'M OUT"
