IMPORTANT INFORMATION — RETAIN FOR YOUR RECORDS.

This is your record of the share transaction in your account on the books of the Company as part of the Direct Registration System. This advice is neither a negotiable instrument nor a security, and delivery of it does not of itself confer any rights. It should be kept with your important documents as a record of your ownership of these shares. No action on your part is required. If offered and you wish to obtain a certificate, please account your account via the Investor Center website or contact your broker. Fees may apply to certificate issuances. Certificate requests made as part of a transfer request may automatically be changed to book issuance. The IRS requires that we report the cost basis of certain shares acquired after 2011. If your shares were covered by the legislation and you have sold or transferred the shares and requested a specific cost basis calculation method, we have processed as requested. If you did not specify a cost basis calculation method, we will use the first-in, first-out (FIFO) for equity issuers or for certain closed-end funds, average cost basis method. Please note that Closed-End Funds and/or Registered Investment Companies are not required to report cost basis until January 1, 2012. If you need additional information about cost basis, please visit our website or consult your tax advisor. Upon request, the Company will furnish to any shareholder, without charge, a full statement of the designations, rights (including rights under any Shareholder Agreement, if any), preferences and limitations of the shares of each class and series authorized to be issued, and the authority of the Board of Directors to divide the shares into series and to determine and change rights, preferences and limitations of any class or series. Assets are not deposits of Computershare and are not insured by the Federal Deposit Insurance Corporation, the Securities Investor Protection Corporation, or any other federal or state agency. If you do not keep in contact with us or do not have any activity in your account for the time periods specified by state law, your property could become subject to state unclaimed property laws and transferred to the appropriate state.
