I've figured it out Ryan Cohen you master of 8D chess GMEmerica is building Amazon delivery, Walmart's size product offerings of both psychical and online varieties and launching a platform where the creators get paid, the players get paid, and true internet ownership begins. And doing it all with the intent of delighting customers, keeping expensive consults out, keeping their head held high throughout media attention (not sure if saying slander would be appropriate) , what we have here ladies and gentlemen is the birth of the most wholesome well oriented company with people who want to actually work. If I forgot to mention a loyal shareholder base with increasing presence given drs shareholders count every quarter
