I've just tried to transfer positions, but I only have a fractional share in IBKR. When I click the tick box for GME, it only allows me to enter whole numbers. Does this mean I need at least 1 full share to transfer? Also, in the region dropdown, do I choose US, or Other Regions? I'm in the UK, but when I choose Other Regions, there is no option for any of the other brokers I hold stock with (T212, Etoro or Revolut) Smooth brain needs help!
