The screenshot shows the Interactive Brokers website interface. At the top, the logo and navigation menu are visible. Below the navigation bar, a summary row displays market data: Close, Low, 143.05, Low, 17.10, Avg, 2.35M, and Impl. The main section is titled "Transaction History" and contains two tables of trade data. The first table, labeled "TODAY'S TRADES", shows a single transaction on Jan 4, 2022, at a price of 14. The second table, labeled "DATE", shows a transaction on Jan 3, 2022, at a price of 15. Both transactions are "Buy" orders with a quantity of 1. A "Load More" button is located at the bottom left of the transaction history section.
