The image is a screenshot of a website banner with a dark background and a pattern of green leaves. At the top, there is a navigation bar with a hamburger menu icon, a magnifying glass icon, and two buttons: "DONATE" in orange and "ADOPT" in green. The main text of the banner is white and reads: "that gorillas need human help to survive the future. Today, the Dian Fossey Gorilla Fund is dedicated to continuing Dian Fossey's work to protect gorillas while helping and educating the people who live near them." Below this, the text "WORLD GORILLA DAY IS SEPTEMBER 24" is written in white, with "WORLD GORILLA DAY IS" on one line and "SEPTEMBER 24" on the next. Underneath, a yellow text line reads: "Raise your hands for gorillas this World Gorilla Day! Click here to see how you can save a species and carry on Dian's legacy." Below this, another yellow text line reads: "Moon Gorilla – NFTs coming soon! Click here for more information." At the bottom of the banner, the text "Dian Fossey:" is written in large white letters, and "A Conservation" is written in green letters below it. Green hand-drawn annotations are present: a large oval around "WORLD GORILLA DAY IS SEPTEMBER 24", an arrow pointing from the yellow text line to the "Moon Gorilla" text, and another arrow pointing from the yellow text line to the "Click here for more information" text.

that gorillas need human help to survive the future. Today, the Dian Fossey Gorilla Fund is dedicated to continuing Dian Fossey's work to protect gorillas while helping and educating the people who live near them.

WORLD GORILLA DAY IS SEPTEMBER 24

Raise your hands for gorillas this World Gorilla Day! Click here to see how you can save a species and carry on Dian's legacy.

Moon Gorilla – NFTs coming soon! Click here for more information.
