Set up a GME DRS from Etrade back in December or January. Caught a little back lash and questioning, why would you do that, seems archaic, so '80's blah, blah, blah.

Today I called to DRS (about 10:30 EST) and registered another 127 and the service could not have been swifter or more friendly. On hold for maybe 20 min and the service rep knew exactly what I wanted to do.

To anyone on the fence about the ease of DRS...super easy bro.
