\$GME

My main objective was to find relationships between Citadel website and \$GME squeeze round 1. I stumbled up an immense load of html updates starting on page 12 of results when sorting by "from". The link to this data set is: [[http://web.archive.org/web/\\*/www.citadelsecurities.com/](http://web.archive.org/web/*/www.citadelsecurities.com/)]([http://web.archive.org/web/\\*/www.citadelsecurities.com/](http://web.archive.org/web/*/www.citadelsecurities.com/))

What to make of this, I don't know. But if anyone has the ability to scrub data for keywords or narrow down potentially relevant information, I am summoning you.

Edit: No clue of the relevancy with the below. Just finding relevant topics
