## NFT comes to your living room

### NFT aggregation platform

#### Samsung x Nifty Gateway

Samsung collaborates with Nifty Gateway, an industry-leading NFT marketplace powered by 4,000+ unique NFTs and 400+ hand-picked artists, to deliver a world-class NFT experience to Samsung TV users.

### Optimal NFT Digital Canvas

Samsung delivers the best NFT viewing experience by leveraging its QLED technology. With auto-rotation wall mount, Samsung TV offers both portrait and landscape modes, allowing users to freely select the mode that suits them the best.
