PSA to those holding in Questrade, you can request your control code for voting now.

Chat in and let them know you want to receive your GME voting control# ASAP, they might tell you it's usually sent out sometime next month but you can definitely ask for it sooner (use whatever excuse you want but pls be polite). I requested my control# today and was told it would be ready by Wed the 27th (2-3 business days), but that I would have to chat in to request it. Ask for a reference number for the request.

Peace
