...they told me that people were "calling-back" their shares to Fidelity since it's easier to sell. I couldn't believe my ears. THEY ARE GETTING DESPERATE!

Listen, I get that Computershare isn't as slick as the brokerage sites, but I'd be damned if I EVER "Un-DRS" my shares! Those babies are safe and sound and in, MY NAME!!!

Really FUDelity??? Especially on the day utilization is at 100%...SMDH

Keep calling and keep DRSing folks. Tick tock mothaf\$cka! 🔥 🔥 🔥
