Welcome to 100+ days of ~~summer~~ broker guides!

Now the split is in effect, we are having another wave of DRS transfers. So lets raise some awareness around how to get your GameStop shares into the Direct Registration System!

If you're looking for a guide for your broker leave a comment with the following command to summon the DRSGME wizard:

!DRSGME:ALPACA!

Just replace ALPACA with your broker's name. If you can't find your broker guide, let me know and I'll see what I can dig up!

Day 3, Guide 3: Alpaca

<https://www.drsgme.org/drs/direct-register-shares-from-alpaca>

Alpaca is a Peruvian based broker that is able to DRS transfer shares for free! It's a simple process too.

If you know of any other Peruvian brokers let me know about them! Alpaca is the only one I have a guide for so far.
