This is not financial advice. hedgies r fuk. But don't sit still thinking we won. We still have chess moves to make but we are finally back on OFFENSE.

Ryan Cohen started the attack, apes will be needed to keep it going. Buy more on CS to ensure it gets bought on a lit exchange. Transfer more shares if they are in regular brokerages. Exercise calls options which they didn't hedge for. If you can even add 1% to your total GME position, then this is the time!

DO YOUR PART IF YOU ABLE TO, SHFS ARE SCARED OF EACH AND EVERY ONE OF YOU! KEEP IT UP FOR RC ■■■
