They talk about the printer go brrr, how lockdown being initiated wasn't to save lives it was about propping up the stock market for the super rich!

Citibank was mentioned as to always being about when there's a market crash

I will continue to wait to the time friars no longer has value.

I can stay zen longer than the HFs can stay liquid!

Peace to the GameStop ■s and anyone hoping for a squeeeeeze on other stocks.
