Time for a friendly one sided wager, one I have no problem following through with. If GameStop hits \$300 by April 15th 2022, I will get a GameStop tattoo. Whether it be Roaring Kitty, RC, the Gamestop logo or simply GME I leave it up to you (poll will be posted when it does hit \$300). So set your calendar, watch that ticker and let's see this show unfold!
