I didn't really want to come out and say anything but I really can't work and I'm holding around 300 Gme shares but I don't know how much longer I'll last. I was shot 3 times Wednesday night after a couple of guys tried to rob me and I've been in the hospital ever since. I just need some motivation and encouragement ■ I appreciate you guys and your hard work. I already went through surgery and I'm not sure how I'm gonna pay for all this....

If you would like to help financially my Cashapp is

\$me0w007. Anything, even kind words are appreciated.
