Think about it... They want to shine apes in a bad light. Always have. They've called us and the subs cults and conspiracy theorists.

This fire, though I do believe to be foul play, is another knife in our side. They can spin the narrative to further separate us as overanalyzing nut jobs, or at the worst... Out of touch investors.

I'm looking at it from the outside in, as someone who would take everything from msm as fact. If I saw someone accusing foul play and didn't know the juicy DD, I'd think we were insane too. I may get downvoted so much that I'll have nightmares of thumbs and won't be able to suck my own to soothe, but I'll say it anyways. This was a good play by them. Two birds. Document removal and a narrative spin.

I would like to see some input on what you guys think

To those who think I'm a shill: I am retarded, like severely. But even retards like me can make money. And I use those funds to buy GME, and I hodl
