That is right you hedgie fucks. GME ROARS AGAIN. You might have all the crime BUT WE HAVE ALL THE TIME.

[HEDGIES BLEED](<https://preview.redd.it/vj1qafys05a81.png?width=964&format;=png&auto;=webp&s;=4ec029410ad1fa1e6f2819d3065156a38d2260b3>)

You bastard hedgies must have sunk untold billions into trying to push GME back down but here we are. Undone in minutes. WE ARE NOT SELLING. DO YOU HEAR US ROAR? God I hope you hedge funds still have interns who have to report back to you on what we all say on here and the other GME subs. Well my pretty little intern shills. How about you go tell your pay masters THAT WE ARE NOT SELLING. We do not know how to sell. We buy. We hold. We DRS. WE LIKE THE STOCK. WE LIKE THE STOCK.

EDIT: LOL, \$174
