I've been a hodler of gme since Jan/Feb of last year. So I know the "hodl till telephone numbers" "no cell? No sell" quotes and mottos. And I'm fucking here with you guy & gals. But with all this after hours hype, I'm just questioning if "telephone numbers" is actually attainable. And if we do reach those, how long do you think it'll hold in those numbers?

(Please click on my profile and look thru my post history, been in this saga from the beginning.)
