****TL;DR:** Sequoia Capital (who invested in Citadel) has Alfred Lin sitting on the board of directors for Doordash, whose partner with GME. Also, Tony Xu (co-founder and board of director member for Doordash) was JUST announced to the board of directors for Meta mere hours ago. Also wrinkles needed for Paradigm Capital's Form D filing as of a few weeks ago.**

Commented this elsewhere but before it goes MissingNo:

Also, before this gets lost, while digging into Paradigm, they had these Form D files pushed out in the past few months:

Dec. 11 (\$739 million) Form D, filed in Caymans on that Ugland House ish:

Compare this to Aug. 2021 for \$42 million:
