The DTCC (@The_DTCC) has officially blocked all replies or comments on their tweets after an ape asked a question about dark pools this afternoon.

If you hadn't already guessed, that did not go over well with many dear readers, and so in the last few hours there has been a barrage of individual investors all tweeting the DTCC (and GG) asking about dark pools and faith in the markets and why they are blocking people lol.

Power to the players!! ■■
