I've put the process of DRSing my GameStop shares Bc I thought it would be a long grueling process. I finally got the motivation to do it tonight and after the few minutes on hold the dude with my broker asked me my name and then did a security verification. Then bam he said he's done! I'm like "that's it!?" He says that they have streamlined the entire process and even tho I did this outside of market hours it should be all finished by Tuesday!

Don't be me DRS it's only a 30 second phone call!
