Objective completed! I finally DRSd my GME shares! What was holding me back all this time? Making phone calls triggers high levels of anxiety for me. I don't even call to order pizza, I order online. But, I promised myself I would do it and its done!

I'm with Fidelity. The hold time was about 7-8 minutes but once I got to a person, the call was super quick, less than 2 minutes. The agent asked just a couple questions and then it was done. If you've been procrastinating, just do it!

If you're with Fidelity call 800-544-6666 and say "stock certificate" to get to the right department.

Buy. DRS. HODL.
