Hello fellow apes! It's easy to get discouraged with the FUD, manipulation, and stock price....but know that truth ALWAYS wins.....ALWAYS. Sometimes it takes minutes to reveal itself, sometimes it takes decades. We are the match that lit the flame of truth in the markets. WE did that. You are a part of something that will CHANGE THE WORLD FOR THE GOOD OF MAN!!!! Think about that for a minute. Even if GME goes to zero (it will go to the opposite of zero), you can tell your grandkids that you helped them live in a better world....and stock price doesn't mean crap if that happens. Sit back, relax, and enjoy the show. Shit's about to get real. And you helped that happen.

I'm back DRS'd with Computershare. I thought I needed to liquidate some of my shares due to financial difficulty.....but we back! Now someone play me a Wesley Willis song.
