Is_self: False

****I ONLY HAVE GME STOCK BECAUSE IT IS THE ONE TRUE STOCK DFV IS MY IDOL OH HEY MOM GET OUT OF MY ROOM. really tho i'm 100% GME****

Moving on...

[Some strange attention](https://www.reddit.com/r/Superstonk/comments/pgvdqe/my_2_day_old_response_to_criand_about_a/) has been on NWAU lately so I took a dive... **turns out JPMorgan Chase might have some suspicious shit on their books.**

Long string of shell companies, long string of closed properties, description as auto collection & financial services agency, and a revenue that doesn't match any of it.

NowAuto Group Inc, Mandinka LLC, Kone Financial Services, Consumer Automotive, Consumer Automotive Finance, Prudentia I, L.P., Elwood Acceptance...

The list goes on and on. It's all the same.

Search of NWAU SEC Edgar database and it appears in [3 filings total](https://www.sec.gov/edgar/search/#/q=NowAuto). All 11-Ks with years 2017, 2018, and 2021 under 1 filing entity. **JPMorgan Chase.**

Generally, [11-Ks are used for](https://www.sec.gov/files/form11-k.pdf):

>*annual reports ... with respect to employee stock purchase, savings and similar plans, interests in which constitute securities*

You could probably google this shit for hours. I already have.

I'm stopping there because I want other apes to get eyes on this and information to spread before i'm
threatened to take anything down.

The sec.report filings are ***even stranger***

I really think we shouldn't leave this be.

EDIT(from the comment):

check the LinkedIns. multiple copies of profiles with similar info but not exact copies. Scott Miller, faith

forbis, Theodore valenzuela.

I'm not fuckin around. whoever these guys are, they don't want to be discovered.

edit: fiancée found an investor report on Nowauto - the dude indicates fraud and/or money laundering in 2005! ***why the fuck has this been on JPMorgans Books since 2016?***

"With respect to the lying about the outstanding share count, Miller explains that he was told to say what he did by his legal counsel."

their business license was permanently revoked in Nevada (need to search "Nowauto Group Inc" on the page) as far back as 2006, it looks like <https://esos.nv.gov/EntitySearch/OnlineBusinessAndMarkSearchResult>
