As the title states, 1:06 PM is 1306 in 24-hour format. DDMM = June 13th.

I believe there will be an announced gme stock dividend (7 for 1) on June 2nd at the annual shareholder meeting. By law, you must wait 10 days to set the ex-dividend date which would then be June 13th.

Things are going to get spicy in June... buckle up!!!

EDIT: I am referring to Ryan Cohen's last tweet about his wee wee if that was not made clear ;)
