We are so smooth-brained, small-minded, crayon-eating, certified-idiot, disability-check-binger that we can't even realize the reality of what's happening. All I wanted was \$1,000 a share and now I am rooting for the overthrow of Western (or eastern idk what the fuck that even means) government to ensure that I get tendies and ken gets jail. WHAT HAS HAPPENED. Planet of the Apes was just a movie bruh \$GME
