I am currently 35 minutes into a call with Fidelity, trying to initiate a transfer of my last precious GameStop shares to Computershare. (Gonna hit the 100% club cuz ■ BROKERS AND YEEEE HAWWWWWW)

Apparently my account is flagged with "ERROR" messages and my rep is trying to figure out why.

COULD IT BE BECAUSE LIQUIDITY HAS HIT SAHARA-LIKE LEVELS??

this is great news, folks. Stay Zen and enjoy this wild ride
