I would like to direct register 115 GME shares to Computershare.

Okay, great. Thank you for that information. While this is something that typically we can help with in a quick manner, Gamestop announced they are undergoing a mandatory corporate action of a 4:1 stock split. Direct Registration is unable to take place while a corporate reorganization is occurring. However, according to the official Gamestop company release around the action, trading will begin on a stock-split adjusted basis on July 22 -- at which time the DRS process can resume. I do apologize for any inconvenience this may cause.
