The man with the plan

The US Senate Confirms Gensler as the SEC Chief to a full five year term

Glad to hear he's got the full 5 year appointment as imo wall street is a big machine with big parts who don't want to move or change, but giving him another 5 years means he can at least get some things moving and hopefully change it for the better.

And by the looks of it it seems he hit the ground running

Good guy Gary,

Let's motivate him onward, like the status, don't troll in the comments or go full conspiracy nut, just support and push on
