Hustler, word I pull the trigger long,
DRS, spray til every hedgie gone.

Got my stonk sewn, armored Ape spot.
Last thing I sweats the Mayo punk's shop

Move like an Ape when I roll, hops,
Try to flex, bang, another hedgie drops.

They gotta deal with us cause there's no way out,
Why? Fuckin hedgies gonna have to pay out.

We got nothing to lose and much to gain,
In my brain, I got a capitalist migraine.

We gotta get paid tonight, you mutherfuckn right,
Buyin GME, checking the DD, keepin my game tight.

So many purple rings on the sub, think we're movie stars,
All of us got 50 million dollar cars.

Go to school, I ain't goin for many,
Kiss my ass, bust the cap on Kenny.

Cause I don't wanna hear that lyin,
I'd rather be with New Jack.. Ryan.

Hustler.
