Hello Folks,

i got my DRS letter for GME early february and with it a "W-8BEN" form to fill out and send back to CS.

I did this quite immediately and since than i'm waiting for a response from CS.

The worst part is, that i cant login to CS (or register) which means i cannot manage my stocks.

What should i do? I filled a inquiry on CS homepage but no response...

also, im an europe ape if it is important

pls heeelp
