1. **Russia Says Sanctions Determine If Foreign Bondholders Get Paid**

Bloomberg News

6 March 2022, 17:30 CET

Sanctions imposed on Russia will determine if international investors are able to collect debt payments on sovereign bonds denominated in foreign currencies, according to the Finance Ministry in Moscow.

Residents will receive their payments on the Russian state debt in rubles regardless of the denomination currency, the ministry said in an emailed statement on Sunday.

2. Possible new U.S. sanctions on Russia's OFZ market not a serious threat to financial stability -VTB Bank

29 November 2021 11:05 / Reuters

Foreign investors hold 21% of total OFZ bonds outstanding, or 3.3 trillion roubles (\$44 billion), of which U.S. investors account for around a third - less than VTB alone which has 1.75 trillion roubles of OFZs in its portfolio.

(\$1 = 74.9840 roubles) **November 2021**
