I had too much cash and didnt know how to store it. Today i discovered i will be able to just keep it in my Gamestop Wallet.

Its probably nothing.

That ol' gamestop is my bank green text is making a hard comeback though. But for real. It will be a legitimate place to safe-keep and probably even invest money. Wild.

As soon as that wallet activates, Gamestop legit becomes a financial institution.

Be your own bank! GMExLRC ■■■■
