Hello. Got a quick question. I just got an Email from degiro. They are offering me to sell some shares to them for 1.25 each. Thats 5 times the shown worth on the App. So is this what i can Experte from gme? Offers from the brokers themself? Quick money in anticipation that they will be much more later? Or Was this an exception? Any experience on this?

Edit: the Email <https://ibb.co/hDQpRGH>
