Multiple choice, which are you?

A) DRS'd 100% and why? (Or working on it)

B) DRS'd but not 100% and why not?

C) Did not DRS and why not?

This info will be used in a general way for the WWW.DRSGME.ORG website. The more responses, the better.

We are still working on re-vamping and restructuring the website from its current rough draft form which went live on March 18. More content is also in the works.
