Welcome to 100+ days of ~~summer~~ broker guides!

It's clear that everyone, even GameStop fanatics, are finding and learning about Direct Registration and the DRS at different speeds. So I'm hoping this series of posts helps to raise more awareness that it is possible, and it's even easier than it was at the start of 2022!

If you're looking for a guide for your broker, check out the website and you'll find 110 guides (hopefully you're broker is one of them!). If you can't find your broker guide, let me know and I'll see what I can dig up!

Day 21, Guide 21: CommSec

[Guide available here](<https://www.drsgme.org/drs/direct-register-shares-from-commsec>)

CommSec is an Australian broker that can DRS transfer for free! Only one of 2 that can do it for free from what I have learned. They even have a specific form for it called "Non-ACAT Transfer Out Of Commsec – Transfer To Book".

Step-by-step instructions on how to find and fill out the form can be found on the link above.
