Andddd yep, they are the happy people that is breaking the record of reverse repo week after week, and even day after day since a few days.

For all those GME'apes that are to curious but to smooth brain to find it by themselves:

(https://www.newyorkfed.org/markets/rrp_counterparties)(https://www.newyorkfed.org/markets/rrp_counterparties)

If you click under "List of reverse repo counterparties" at "Current List, Additions, Removals & Name Changes" you will find this list.

At this website, you can find too all the changes year over year (who is in, who is out, who likes the reverse reponks...).

Just a humble post to know a bit more for those USA's (and others?) Trillions.
