This would be a good time to establish that Ken and Vlad have both said that there's benefits to be...

Right, well, Ken Griffin is fucking lying! Look, I'm just like all of you.

I hope to God, I hope to God that Gary Gensler knows what he's doing.

.....
I hope he's got us all taken care of, but the truth is, I think this whole administration has completely lost their fucking mind! And I think we're all gonna get tendies!

.....
[breathing heavily]

[softly] Look, I just wanna go home.

[sighs] I just wanna go home.

I just wanna go home more than anything.

[breathing heavily]

But if there is one thing, one thing that I pray...

That I pray that all of you hear from what I have just said, is that all of us, all of us 💎
🙏 are going to Get tendies !
.....
