Come with me to a land of imagination.. what if.. elon snipes twatter and goes balls deep with gme marketplace and ur nft is ur avatar/pfp and no bots.. LIKE NONE! Genius if you ask me.. but what do I know I eat crayons as a hobby.

Oh.. back to the calling it thing.. if they do not partner (elon and rc) in some shape or form I will get a tattoo (my first) of GME on me azzzzz. Bet.
