Just picked up these luxuries at the local Food Depot (discount groceries) and was pretty miffed.

A loaf of bread, a pack of hot dog buns, a pack of hamburger buns, a colossal 5-PACK of hot dogs, 1.5lbs of hamburger, a bag of potato chips and a 12 pack of Miller Lite. \$41 fucking dollars! Take out the beer and it's still \$30 for 6 items.

Make GME MOOASS, and FUCK Joe Biden. Either that or launch the nukes and end this bullshit.
