Before everyone gets too excited about the recent news Bloomberg had posted, step back one step and ask yourself this. "It doesn't matter if a news is good or bad, right or wrong, but why it became a news in the first place?"

I would say they are trying to wash their hands through the DOJ. At the end of the probe they will find nothing and announce that this was just a "conspiracy" and make us look like conspiracy theorists.

DRS is the only way! GME to the Orion Belt!
