Connection**S**, **a**cross the skyline, five times, like I**m,** white eyed but there's no sci f**I**

la**s**t ci**r**cle living, m**a**gician's given wish**e**s, a mission that co-ordinated structures **I**ike meniscuses,

mistresses mysteri**O**us like businesses, Greenbacks, bad rea**c**tions from the differences,

what? you s**t**opped c**o**p**p**ing bonds **u**nder distances,

living by your own laws, permissionles**s** when pursuing digits.

Ken, let's be straight. Why was your NYC office of Citadel integrated in Delaware? Apes well aware now.
