BCG's Sanjaya Mohottala takes up investment board post in Sri Lanka

05 March 2020 | Consultancy.asia

Former BCG managing director Sanjaya Mohottala has taken up a director general post with the Board of Investment of Sri Lanka.

Sanjaya Mohottala, previously a core member of the Southeast Asia corporate development and principal investors & private equity practices of global consultancy Boston Consulting Group – has taken up his post as the new Director General of the Board of Investment of Sri Lanka. Ultimately rising to partner, Mohottala spent more than twelve years with BCG after his first taste during a summer placement.

During his career with BCG, Mohottala steadily ascended the ranks, first as a project manager and then as a principal just four years after joining. At the start of 2015, he was made partner and managing director, assuming responsibility for the firm's shipping, transportation, and logistics sector business across the Asia Pacific in addition to his leadership role in the corporate development/ private equity practices.

Protesters flood the streets outside of Sri Lanka's Presidential Palace, as police fire tear gas to break up the crowd.

BCG's Sanjaya Mohottala takes up investment board post in Sri Lanka

05 March 2020 | Consultancy.asia

Former BCG managing director Sanjaya Mohottala has taken up a director general post with the Board of Investment of Sri Lanka.

As for the need to grow the local knowledge economy, this sentiment also in manner reflects Mohottala's experiences at BCG, where he spent time based out of Singapore. Among the so-called MBB of world-leading strategy and management consultancies (further including Bain & Company BCG), McKinsey & Company is the only one to date to have established a permanent office in Sri Lanka.

During his career with BCG, Mohottala steadily ascended the ranks, first as a project manager and then as a principal just four years after joining. At the start of 2015, he was made partner and managing director, assuming responsibility for the firm's shipping, transportation, and logistics sector business across the Asia Pacific in addition to his leadership role in the corporate development/ private equity practices.
