I was hesitant to DRS, but can't explain why..however I did it some weeks ago. Yep, fed the bot. I have a lot to learn about it, but have started my GME NFT education. I am frustrated that I can't afford to fund my wallet yet and superstonk won't let me participate (even though I have the required karma). I'm sure they are swamped, but I sure hate not having 1 NFT. Just one to make my GME set up complete!
